

## Skills Bootcamp in Electrical Skills

This Skills Bootcamp is designed to enable successful candidates to 'stand out' when employers' are recruiting for electrical installation apprentices and fast-track to an interview with a local employer.

The programme is open to all candidates over the age of 19.

The programme will start in our Exeter Centre on Monday 26th July 2021 for 12 weeks. It will run 4 days per week: Monday - Thursday 9:00 - 4:00

Included in this course:-

**Level 3 Understand Health, Safety & Environmental Considerations (City & Guilds)  
ECS Qualification**

**Gain a basic understanding of power and lighting circuits**

**Gain a basic understanding of containment**

**Working safely with hand tools**

**Working safely with power tools**

**All PPE will be provided, and help towards travel cost will be available.  
Benefits can be continued.**
